Three Levels of Classes

Beginning Level Classes build confidence in the most popular ballroom dances.

The emphasis is on fun and learning steps!

Intermediate Level Classes boost your dancing up a notch. More emphasis on technique and styling and learning more complex patterns. The emphasis is still on fun!

Advanced Level Classes are for people who are hooked on dancing and want to look and feel really good doing it. We always have fun!

Private Lessons: A great option for newer dancers wanting to build confidence, or if you're preparing for a special event. Everyone learns faster and better with one-on-one attention. Cori teaches leaders & followers individually or as a couple.

Dance Parties

1st and 3rd Fridays at the Evergreen. There's no better place to meet other dancers, practice what you've learned, and pick up some new moves.

Beginning lesson and intermediate Step of the Week followed by Dancing to all kinds of Ballroom, Latin and Swing music.
